

OVERVIEW OF REGIONS FOR OUR NEWSLETTER

Depending on your location at the time you access our website (www.mares.com) your region will automatically be adapted or you can manually choose a region using the drop-down menu "Region". Whichever company of the HEAD Group is responsible for your region, depends on the region that is selected (either automatically or manually) at the time you subscribe for the newsletter. Please note that there are some regions that do not have companies that are responsible for a particular region (in this case you will find the note "-----" next to the respective region). In this case you will only receive newsletters by MARES S.P.A., Salita Bonsen, 4 - 16035 Rapallo (Ge), Italy.
