

GENERAL TERMS AND CONDITIONS

1. General provisions

Please read these General Terms and Conditions carefully before purchasing goods on the website WWW.TYROLIA.COM. This website's webshop is operated by Head Sport GmbH, Wuhrkopfweg 1, A-6921 Kennelbach, Austria, a company distributing "HEAD" and "TYROLIA" products. By purchasing goods from this website, you automatically consent to these General Terms and Conditions. The contract will be concluded with HEAD Sport GmbH, Wuhrkopfweg 1, A-6921 Kennelbach, Österreich, a subsidiary of HTM Sport GmbH, who will therefore also be responsible for administering and processing the contract.

2. Order process and conclusion of this contract

2.1 The order process via our online shop consists of several steps. First, you select the desired goods. Second, you must provide your customer data, including the billing address and delivery address (if different). Third, you must select the payment method. At the end, you can check all the information provided (e.g. name, address, payment method, ordered goods) and correct that information if necessary before placing your order with us by clicking on "Buy now" and thus confirming it.

2.2 By placing your order, you made a binding offer towards us to conclude a contract with you. We may accept this offer by sending you an order confirmation via e-mail or by delivering the ordered goods. A sales contract shall only be considered to be concluded after we have sent an order confirmation via e-mail or after the ordered goods have been delivered to your address. Our order confirmation will be sent to the e-mail address provided by you; such confirmation will contain a list of all relevant order information as well as information on the payment method, customer service, warranty and data protection and a cancellation policy.

2.3 If, for any reason, we are unable to fulfill your order, we shall notify you by e-mail.

2.4 You must guarantee that all the information you provided to us in your enquiry or in your order is correct and complete. We shall not be obligated to accept orders but shall have the right, at any time and without giving reasons, to examine orders in advance and to reject them.

3. My account

3.1 On the condition that you provide all required data during the order process, you may place orders with us without setting up a personal user account. However, you also have the possibility to set up your personal user account with a password. This means that your personal data will be saved and you need not enter your information again when placing a new order with us. You also have access to the "My account" section which provides a comprehensive overview of your profile, orders which have not yet been delivered, past orders as well as delivery and payment details. Please click here if you do not currently have an account and would like to find out how to set one up.

3.2 If you set up and use an account on our website, you shall be responsible for protecting your account and your password and for restricting access to your computer. Furthermore, you declare that you agree – to the legally permissible extent – to be liable for all activities which are performed through your account and/or with your password. You must take all required measures to ensure that your password is kept confidential and stored in a safe place and you should notify us immediately if you have reason to believe that a third party has gained access to your password or that your account is being used without prior authorisation or that such unauthorised use is likely.

4. Tracking your order

You can track your order using the tracking number provided in the order confirmation e-mail. You may access the website of our courier services provider which contains up-to-date information on your order and the delivery.

5. Prices, shipping charges

5.1 All prices include all taxes, including sales tax and fees, where these are not separately indicated.

5.2 We calculate delivery and shipping charges separately for each delivery address. Charges to be paid by you for delivering your order will be shown to you before we ask you to confirm your order. Prior to order confirmation, we will provide detailed information on the price calculation and the final price for your goods. The total shipping charges will be automatically calculated and shown to you before the order process is finalised.

5.3 In case of deliveries to countries which are not part of the European Economic Area, all relevant import and export expenses as well as all possible charges and fees must be borne by you.

6.3. Whilst every effort is made to make sure details on our website are accurate, we may from time to time discover an error in the pricing of products.
